Y'all were out riding You Wayne and Tahk on Richfield rd and saw a souped up race Camaro 4 sale outside of a racecar fabrication shop u got out that nite and approached the place of business where it was setup 4 sale at and u realized that it was sum1 u knew from being at the race tracks with Sam Wood. The guys name was Joseph Scott and he said u looked familiar 2 him that's when u told him ur name was Jacob Wood Sam Wood's lil brother. From there he told u that u could come back the next day to test drive the car and have ur mechanic look at it. Y'all u wayne and Tahk left came back the next day and two more guys were there along with Scott Davis the guy u know from the race track. Y'all left, stopped at a gas station on carpenter and dort hwy then yall headed over to Keller Rd at the deadend. It were sum ppl outside next door working on the house. Y'all got out the car wayne pulled the gun out told the ppl (it was only 2 of them Scott davis did NOT cum with yall) to give him the keys and the title the two ppl refused Wayne shot the gun by surprise it was so close to u ur ears rang and then he forced them into the woods. You hopped in the truck and Wayne and Tahk left in Wayne's car. Source Extraction: Physical

Y'all seen a car advertised 4sell in the newspaper y'all called 2 schedule a test drive. The owners said come the next day. The next day you called them back to set up the test drive. Y'all drove all the way to Fenton to the ppls house. Y'all got lost several times so you kept calling them back 4 directions. Y'all finally arrived. You got out met the husband and wife u got in the car with the husband. You were in the driver seat. The husband was in the passenger seat. Wayne and Tahk stayed in Wayne's car. The wife got into a red corvette. Y'all traveled to Mt. Morris. Y'all stopped at a gas station on the corner of Clio and Coldwater then yall headed 2 the same deadend road at the last house on the right. This time someone was home, 2 ensure that u would not alarm them inside the home u went up 2 the door and 1st one black male came to the door. U asked to mow the lawn, he said wait so he could get the owner then another older black male came 2 the door u asked him if u could cut the grass. He declined ur offer. You left went back out to the car pulled the gun out told the white male to get out the car and to give u the title. You walked hom to the road where his wife was told hee to get out the car. She got out you tooj the keys and told them to get in the woods. They walked in the woods. Wayne got out of his car jumped in the corvette and sped off Tahk left in Wayne's car and u jumped back in the Cadillac and left. Source Extraction: Physical
